|---|------|
| Per second Cost (anytime, all networks) | 2c |
| Cost per day | 60c |
| Cost per 30-day month | R18 |
| Cost per year | R216 |

* Since G-SPEAK uses a standard network SIM, all network rates will apply to it as they would to a mobile phone. So free minutes, bundled SMSs and frequent caller discounts will apply

*Please note: All of the above information was gathered from the relevant network operators and was correct at the time of publication. CENTURION cannot be held responsible for any changes the network operators may make to any of their call plans
