

Centurion Systems

Safety, Health, Environment, and Quality Policy

Organization:	Centurion Systems	Document No:	SHEQ-POL-001 (D)
Policy Owner:	SHEQ Department	Revision:	V001
Section:	Administration	Sheet:	2 of 2

Centurion Systems specialises in the design, manufacture, supply, and repair of access automation equipment. We are committed to operating an effective Integrated Management System (IMS) that supports quality, occupational health and safety, environmental responsibility, regulatory compliance, and continual improvement.

Our Commitment to:

❖ Quality

- Deliver reliable, innovative products, and services that meet customer, statutory, and regulatory requirements.
- Enhance customer satisfaction through quality performance, service excellence, and continual improvement.
- Resolve customer concerns effectively and maintain industry leadership through innovation.

❖ Occupational Health & Safety

- Provide safe and healthy working conditions to prevent work-related injury and ill health.
- Eliminate hazards and reduce occupational health & safety risks associated within our operations.
- Promote consultation and participation of employees in health and safety matters.

❖ Environmental Responsibility

- Protect the environment through pollution prevention and sustainable resource use.
- Reduce waste, conserve energy, and promote recycling and reuse practices.
- Consider environmental impacts in product design, manufacturing and service delivery.

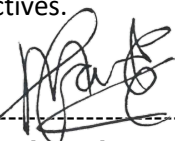

❖ Compliance & Continual Improvement

- Comply with all applicable legal, regulatory and other requirements.
- Establish and review measurable objectives to improve IMS performance.
- Conduct regular audits and management reviews to ensure ongoing effectiveness and compliance with relevant standards.

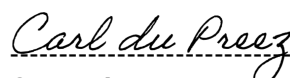

❖ Suppliers & Stakeholders

- Develop and maintain mutually beneficial relationships with suppliers and service providers.
- Ensure suppliers support our quality, safety, and environmental expectations.

This policy is communicated throughout the organisation, made available to interested parties, and reviewed periodically to ensure its continued suitability, effectiveness and alignment with business objectives.
