D-SERIES SMART+ ACCESSORIES

Solar Supply Solution

Alternative means of powering the system - consult your CENTURION dealer

Photon SMART Safety Beams

Fully-wireless infrared beams. Always recommended on any SMART/SMART+ automated installation

Theft-deterrent Cage & Padlock

Patented design provides excellent deterrence against theft, tampering and vandalism

G-ULTRA

The ultimate GSM solution for monitoring and activating the operator via your mobile phone

G-Speak ULTRA

Answer your intercom from anywhere for maximum security and convenience - powered by 4G technology

Gate Stations

Communication hub for the G-SPEAK ULTRA GSM intercom - available in both durable plastic and stylish and strong metal enclosures

12V-24V SMART Sirens

Both wired and wireless SMART Sirens designed to integrate with existing SMART/SMART+ gate and garage door operators (Not applicable to D3 SMART/SMART+)

SMART PowerPack

Power unwavering gate performance for busy sites. Run your gate directly from mains. Optional battery backup for added flexibility (Only applicable to 24V SMART/SMART+ Operators)

Steel, Nylon RAZ or Nylon Angle Rack

A variety of rack available in different lengths, for different strengths

Low-voltage Chargers

Enjoy a safe, reliable and cost-effective way to power your gate operator and enjoy outstanding performance and exceptional flexibility

SMARTGUARD/SMARTGUARDair Keypad

Cost-effective and versatile wired and wireless keypad, allowing access to users with a customised code

FLUX SA Loop Detector

Allows free-exit of vehicles from the property - requires ground loop to be fitted
